

**THE PROCEDURE FOR THE FINAL CONTROL OF KNOWLEDGE
(MODULE, EXAM) UNDER CONDITIONS OF DISTANT EDUCATION**
(VNMU Order of December 24, 2020 No. 158)

1. The student's camera is placed at arm's length, if it is a smartphone - fixed on the table, hands are in the frame.
2. If necessary, the teacher may request a demonstration of the student card / record book to identify the student (the student shows the document in the camera, where his / her photo and name become visible).
3. If the student does not join within 5 minutes, his / her turn is automatically shifts to the end of the list. If a student does not join within the time allocated for the final module or exam of one academic subgroup, he / she receives an "absent".
4. If there is a suspicion of violation of academic integrity by the student, the teacher has the right to terminate the student interview.
5. The teacher has the right to ask to show the screen of the device from which the student works.
